

Request for action

Please refer to the accompanying *Procedures* to complete your request form. If you need help or have questions, please telephone (306) 787-2815.

Notes

- A separate request form must be completed for each object identified for action from the *List of sacred objects*.

Please indicate the type of action you want to request for the sacred object.

Only **one** of these choices should be checked.

- A. Option for shared stewardship (co-management) to store and manage the sacred objects (this option includes ceremonial-use agreements).
The person who signs this form, or an appointed designate, must be available to pick up items identified for ceremonial use.
- B. Option to request the repatriation/return of sacred objects.
The person who signs this form or an appointed designate must be available to pick up items identified for repatriation/return.
- C. Option for replication of sacred objects for educational or artistic research purposes.
Include all documentation for permission to undertake replication work.
- D. Option for temporary storage of sacred objects repatriated from individuals/institutions other than the RSM.
Please do not fill out points 3 and 6 below for option D.

1. Name and contact information

(Individual(s), designate(s) and/or organization). Please list **all** individuals who will be viewing the object(s)

2. Type of object

- rattle pipe drum spoon fan bowl
 medicine bundle eagle feather bone whistle
 painted tipi pipe bag pipe stem

other: _____

3. Object number _____

Use the object, catalogue and accession numbers from the *List of sacred objects*.

Catalogue number

Accession number

4. Description of sacred object

E.g. colour, style, condition of object that may help identify the object or you may refer to and/or use the description provided on the *List of sacred objects*.

Request for action

5. Background information

This information can include pictures, drawings, oral accounts, genealogies, relevant important dates, written records, descriptions, or any other information relevant to the request. Please feel free to add pages if you need more space.

6. Protocols and procedures

Outline any necessary protocols, procedures or ceremonies required to take place at the Royal Saskatchewan Museum for the care, use or repatriation of the sacred object. Provide a tentative timeline (if possible) for any ceremonies to take place that might require advance scheduling or setup of a special area.
